PERMANENT SELECT COMMITTEE  
ON INTELLIGENCE

WASHINGTON, D.C. 20515

April 14, 1978

Honorable Stansfield Turner  
Director of Central Intelligence  
Washington, D. C. 20505

Dear Admiral Turner:

On behalf of the House Permanent Select Committee on Intelligence I would like to invite you or your representative to participate in hearings by the Subcommittee on Evaluation to examine the organization and management of the intelligence community's Automated Data Processing (ADP) activities. As you know, House Resolution 658 charged this Committee to make continuing studies of the intelligence and intelligence related activities and programs of the United States Government.

The Subcommittee on Evaluation will hold hearings beginning at 9:00 a.m. May 8 and continuing through the afternoon of May 10, 1978, in the U.S. Capitol, Room H-405. The Subcommittee wishes to obtain a brief overview of the major systems in the community and to explore how the community manages these assets and what it perceives its major problems to be today and in the future. A tentative outline is attached.

The hearings will be in executive session. I should add that the Rules of the Committee, which apply equally to each Subcommittee, require that all prepared or written statements submitted by witnesses before the Committee will be submitted at least 72 hours in advance of the appearance of those witnesses. Occasionally, time constraints may require witnesses to present their prepared statements in a summarized form. All testimony of witnesses is given under oath.

The Committee point of contact on the issue is Richard H. Giza, 225-5658. With every good wish, I am

Sincerely yours,

EDWARD P. BOLAND  
Chairman
